List topics of discussion in order of importance.

1. The limb that goes over our back fence from the pine tree back of us needs to be removed as promised.
2. Wood chips on the side of the private driveway need to be put further back from the road, they are unsightly!
3. The tree branches and cuttings^{that} have been put in the woods, visible from the road. They need to be cleared out as they are a fire hazard.
4. Grass being cut too short. At present level it will die in the summer heat.
5. In the fall, the leaves need to be removed and not ground into the grass.
6. In the fall there was no grass seed planted in front of our front fence out to the mailboxes. This year was the first time this was not done in the 7 years we've been here.
7. Before you pick a color to paint the outside of the fences, let's have a meeting of the residents to get their input.
8. _____
9. Thank you for your consideration of these concerns.
